

## Directions and General Safety Considerations

**Covid-19:** UMN lifted all covid19 restrictions (<https://safe-campus.umn.edu/return-campus/university-planning-response>), except for the obvious: staying home/not attending the event if you are sick or tests positive for SARS-Cov2. Being vaccinated is highly recommended. The use of masks, hands sanitizer and some level of social distancing whenever possible, is still encouraged. We will have hand sanitizers and face masks available on site, and anyone should feel free to wear masks if they feel more comfortable in doing so.

**Directions:** Above is a map with the meeting site (Campus Club) and hotel (Graduate Hotel) marked. These are within 10-min walking distance. If you need mobility assistance, please let us know so we can arrange assistance if needed. The Campus Club is on the 4<sup>th</sup> floor of the Coffman Memorial Union.

MSP Airport to Graduate Hotel: 3 options available: (1) Taxi, (2) Uber/Lyft, and (3) Lightrail (See attached itinerary sample; more details on train schedule can be found at [www.metrotransit.org/home](http://www.metrotransit.org/home))

**General safety considerations:** The UMN campus, and Minneapolis, is a generally safe place. As such, Minneapolis, like most of the cities in the US, has seen a trend of increased crimes lately, particularly in certain areas of the city. If/when you explore the Twin Cities - particularly at night - please be careful and use your judgement to avoid being in the wrong place at the wrong time! We can provide more specific info/suggestions, if needed.

We look forward to seeing you in Minneapolis!
